## Product Description

Cement/concrete candle jars are flexible for different shapes sizes, such as round, square, irregular, apple shape, pillar, flower shapes and so on.

Customized shapes and size are available as well.

Everyone is the unique one because of the nature formation of bubble traces.

Cement/concrete candle jar handicraft shows a simple, nature and healthy modern philosophy of life.

Use concrete as a carrier to explore the form of nature, leaving the noisy crowd and back to the heart of the plain and quiet.
