The translucent white inner glass seems to be covered with a layer of hazy gauze. It allows light to shine gently, creating a hazy and warm atmosphere. Like the moonlight through the clouds, gently sprinkled in your heart, bringing you endless reverie and peace.

The outer glass is a deep brown color, adding a calm and elegance to the entire candle jar. Brown is like autumn leaves, full of traces and stories of the years. It makes the candle jar not only a simple container, but also a work of art full of emotions and memories.

This [candle jar](#) with translucent white inside and brown glass outside is not only exquisite in appearance, but also outstanding in quality. It is made of high quality glass material and made by fine process to ensure safety and durability. Whether as a gift to friends and family, or as a home decoration for your own use, it is an excellent choice.
